# Our Passion

Admart Print Solutions is a broad-ranging supplier dedicated to providing high quality personalised digital and fabric print products to businesses who want to reach their market in an unique and effective way.

Our PASSION is to provide exciting signage and promotional solutions that far exceed your business requirements. These incorporate the use of a full range of eye-catching flags, large scale fabric print and custom retail fabrication.

Stocking a diverse range of products, we create sales marketing techniques that present your brand to new and potential customers through the use of cutting edge print techniques. Admart offers clients the confidence to work adjacent to your marketing programs in the knowledge that implementation will be achieved safely and professionally.

With a growing range of innovative products and a dedicated team of professionals, our PASSION is to help you achieve solutions that far exceed your expectations.

## EASI Frame

The EASI Frame Display works by inserting a 'Fabric Skin' with a silicon edge into an aluminium frame which can be built to any custom size. The key benefit of the EASI Frame is that it allows you to change your marketing campaigns quickly without the need of a professional installer therefore maximising your advertising budget.

## Why choose EASI Frame?

- Designed to suit your needs - Single or double sided finishes.
- Easy assembly - just follow a few simple steps and you're ready to go.
- Vibrant colour and professional finish.
- Optional light box for enhanced illumination.
- Easi Frames can be wall mounted, suspended, free standing and great for exhibitions/trade shows.

## Fabric banners

Fabric banners are extremely versatile as they provide many options for large scale print. You can choose to have **single** or **double sided** print, and even choose the finishing to match you needs. This kind of flexibility makes it possible to install fabric print in almost any environment safely and economically.

## Poly Mesh & Vinyl Mesh banners

The perfect outdoor solution with great durability and suited for longer term situations. Poly mesh is a light fabric material whilst vinyl mesh is a dense and thicker plastic material.

## Steel A-Frames

The most cost effective way to attract more potential customers to your showroom is the A-Frame. Consisting of a steel construction and corflute insert, the A-Frame provides a very durable sign and at a lower cost compared to other advertising mediums.

## Corflute

An economical form of signage that will get simple messages across.

## PVC/Forex board

Providing solid durability and vibrant image quality, PVC is great indoor/outdoor signage solution.

## Foamcore

Professional finish for indoor signage at an economical price.

## Canvas frames

Give your walls that 'Artistic Touch'!

## Vehicle wraps

Many businesses have vehicles on the road during the day, and with Vehicle Wraps they can be a very powerful form of advertising medium which can be applied to cars, vans, buses & even boats.

# Offset printing

Quality  
Effective  
High volume

## Posters

Offset posters allow a higher volume of print and quicker turn-around times than other forms of printing at the same volume. Offset posters are available in A4, A3, A2, A1 and A0.

## Business cards

Personlised to your size, thickness, quantity and finish.

## Brochures & booklets

Provides an in-expensive high impact form of advertising your business products. Available in various sizes and configurations to meet your advertising needs.

## Retail Point of Sale

From simple 'wobblers', price tickets or even foot protectors & pillow cases for bedroom showrooms, we provide print solutions for all retail environments.

## Note pads

Customize your business stationery with a large range of designs.

## Finishing

Special finishes can be applied in various colours through Metallic, Spot UV or Foil Coating.

# Design
